AILING EDEN REPLACED BY NO. TWO MAN

By WATSON SIMS

London (P)—A. A. Butler, No. 2 man in the British government, presided over a Cabinet meeting today in place of ailing Prime Minister Eden. Eden's doctors have ordered him to rest because of "severe overstrain."

The mere fact that Eden was ordered to take it easy at a time when Britain faced some of the hardest questions to come out of the prolonged Middle East crisis led to speculation—without any official foundation—that his time as prime minister is nearing an end.

Eden has been under heavy fire ever since his decision to join with France in invading Egypt two weeks ago. The opposition Labor party has vigorously called for his resignation.

There have been some minor defections in his own Conservative party. Despite the fact that Eden has won half a dozen crucial confidence votes in Parliament, there have been persistent reports that deep cracks exist in the Conservative ranks.

The news of Eden's illness came too late for comment by newspapers which have opposed him at home. But in Paris, the afternoon newspaper France Soir concluded that Eden was suffering a diplomatic illness—often the first step in the removal of a political leader.

Despite all the controversy which has been stirred at home by Eden's Middle East policies, it has never been considered likely here that he would be overthrown as prime minister in a frontal attack.

The Conservative government has a 65-vote majority in the 625-seat House of Commons. It was elected in 1955 to serve until 1960 and has comfortably beaten off all no-confidence moves by the Labor party.

Keystone Shortway Supporters Heard By Administrator

Washington (P)—Pennsylvania authorities will give a high priority to construction of the proposed "Keystone Shortway" if the route is approved by the Bureau of Public Roads in Washington, it was indicated today.

Gen. George Richards, the state's deputy secretary of highways, has told Washington officials their approval would guarantee "just about No. 1 priority" by Pennsylvania for the Sharon to Stroudsburg superhighway route.

The bureau will determine whether to include the shortway or a more northern road from Scranton to Erie along U. S. 6 in the federal highway program. Either would be a free-access road.

There is strong support for both routes within the state. Richards was among a group of Pennsylvanians favoring the shortway that engaged yesterday in a 90-minute discussion with Federal Highway Administrator John A. Volpe and other federal officials.

ATHLETE SENTENCED

Pittsburgh (P)—A 23-year-old former football star at nearby Bethel High School today began serving a 9 to 23 month sentence in Allegheny County Workhouse for the traffic death Oct. 29, 1955 of Joseph Brooke, 45, of nearby Broughton. Richard L. Evans of Library, a Pittsburgh suburb, yesterday pleaded guilty to involuntary manslaughter, driving while his license was suspended and drunken driving.

Residents Opening Hearts For Man Who Lost Both His Arms

The hearts of Warren area residents are beginning to open for Edward Stokes, the 39-year-old Youngville man who lost both his arms when caught in a power saw October 28th.

In response to an appeal printed in the Times-Mirror yesterday, the outlandish today brought in two of what is hoped will become a great many contributions to aid the man in his readjustment to a world now infinitely more difficult.

The first letter opened was a \$5 contribution from G. L. Winer in Sheffield who also sent his best wishes to "Edward and Mabel." The second envelope contained a card with two \$5 bills, a "God Bless You" pamphlet and a sincere wish for further blessings. The contribution was signed simply "Mr. and Mrs."

Santa Scheduled To Turn on Festoon Lights During Parade After Arrival on Wednesday

Warren will be brightly decorated for the arrival of Santa Claus tomorrow afternoon at 4 p. m. as Bevevino Electric Company completes the installation of overhead lights at 22 locations in the borough.

The lights will be turned on tomorrow afternoon as Santa Claus parades from War Memorial Field on the east side, down Pennsylvania Avenue to the central business section and finally to the "400 block" community Christmas tree on the Carver Hotel lot. Along the way he will give out pieces of candy to the boys and girls.

Boys and girls are also invited to bring their letters to Santa to the parade for placement in his mailbox. A group of Y teens acting as Santa's helpers will pick up the letters along the way and the mailbox will be stationed at the community Christmas tree for the next few weeks.

The letters will be answered by Santa Claus if they have a complete name and address. The Warren High School band will lead the procession and local stores will be open tomorrow afternoon for the occasion.

The Retailers hope to add new strings of overhead lights each season and this year will install new lights at the corner of Second and Market Street and on Pennsylvania Avenue midblock between Water Street and Conewango Avenue. An additional string will also be placed at the corner of Pennsylvania Avenue and Poplar Street.

Weather permitting, Santa will pilot his own helicopter here from Cassadaga, N. Y., and land on Memorial Field. In any event, he will be in Warren to ride through town to greet the children who will be on hand for the occasion.

Sixty Refugees From Hungary On Way to U.S.

Camp Kilmer, N. J. (P)—Sixty Hungarian refugees arrive here tomorrow and the U. S. Army, private individuals and various relief agencies are ready to provide a warm welcome. The group, made up mostly of women and children, is the vanguard of some 5,000 Hungarians offered refuge in America by President Eisenhower.

Washington (P)—So many offers to sponsor Hungarian refugees are pouring into the State Department all 5,000 persons to be admitted under the emergency program may already be assured of jobs. State Department officials who reported this "enormous response" said they are checking private welfare agencies co-operating in the project to determine definitely whether the program already has gone over the top.

Vienna (P)—Sixty refugees from Soviet terror in Hungary were on their way to homes in the United States today as American officials worked to speed-up to 5,000 across the Atlantic.

The fugitives from Russian suppression of the Hungarian rebellion streamed out to other Western European countries at the rate of 1,000 a day, but they poured into Austria nearly four times as fast.

The total to reach Austria since the Russians turned their backs and guns on the rebels was fast approaching 50,000. About 8,000 so far have been shipped out to foreign countries, and many are finding homes and jobs in Austria.

Cabinet Session Called By Ike For Wednesday

Washington (P)—President Eisenhower today canceled his weekly news conference, etc. a Cabinet meeting for tomorrow and gave out word there may be some special kind of White House conference on Friday.

Announcing this, presidential press secretary James C. Hagerty was deliberately vague—and fended off questions—about the possible Friday meeting.

Eisenhower plans to spend the holiday weekend in Washington. He arranged for a round of golf this afternoon at Burning Tree Club in nearby Maryland.

On Thanksgiving Day, the President and Mrs. Eisenhower will attend 11 a. m. EST services at National Presbyterian church.

Then on Friday, Hagerty said, there may be the meeting which "I cannot announce at the present time."

Another contribution has this message: "Too often we neglect the needy at home. Those of us who have also suffered the inability of any of our limbs can vividly imagine the armless plight of Mr. Ed Stokes.

"With a very small donation I'd like to elect the Times-Mirror as campaign headquarters for a Stokes benefit fund."

Signed Anonymous, the letter contained \$2. In response to the widespread sorrow felt for the accident victim, the Times-Mirror sent along a contribution of its own and volunteered to serve as campaign headquarters for others who sought to help Ed and Mabel.

Any contributions, with cash or a check made out to the Edward Stokes Fund, may be sent to the Times-Mirror. Donations have risen now to almost \$200.

Eleven Inducted Into Honor Society

Eleven new members of Warren High School's National Honor Society were inducted this morning at a solemn candle-lighting ceremony in the school auditorium. Seated, from left, are Barbara Mihalka, Ann Michell, Anne Putnam, Toula Fanos and Judy Moore. Standing, same order, are Marga Morrison, Rita Musante, James Griffin, Richard Kremer, Janet Whitmire and Shirley Fowler. Timesphoto by Briggs.

Warren High School Chapter, National Honor Society, held its annual induction service at 11:00 a. m. today in the school auditorium, when 11 students were chosen for membership on the basis of consistently high scholastic rating.

In the group were Toula Fanos, Shirley Fowler, James Griffin, Richard Kremer, Ann Michell, Barbara Mihalka, Judy Moore, Marga Morrison, Rita Musante, Anne Putnam and Janet Whitmire.

The orchestra, under the direction of Thomas McCune, opened the ceremony, while Dr. Carl B. Whipple, superintendent of schools, conducted devotional exercises and Pledge to the Flag.

Following the introduction speech by President Harold McNulty, Thomas McCune explained the National Honor Society emblem; and Cardinal Virtues were explained, Barbara Greenwald presenting Character; Betty DeLong, Scholarship; Stanley Lindberg, Leadership; and Norma Sponsler, Service.

Announcement of selection of the 11 new members was made by Dick Aldrich, treasurer, while an account of their activities was read by Mary Hughes, vice president.

Explanations of the symbol of the Torch and the Candle-Lighting Ceremony were presented by Henry Lanman, James Mathis, and Carol Briggs. For the record of their induction, each of the new members signed the roll presented by Frances Wooster, secretary.

Joseph R. Passaro, principal of the high school, administered the pledge to new members; pins and membership cards were distributed by the president and secretary while Miss Jean Steele, adviser, read the names.

To close the assembly, the Alma Mater was sung by the audience. Junior and senior classes were present in the auditorium, while sophomores listened over the loud speaker system.

Boy Choir To Present Yule Concert Dec. 16th

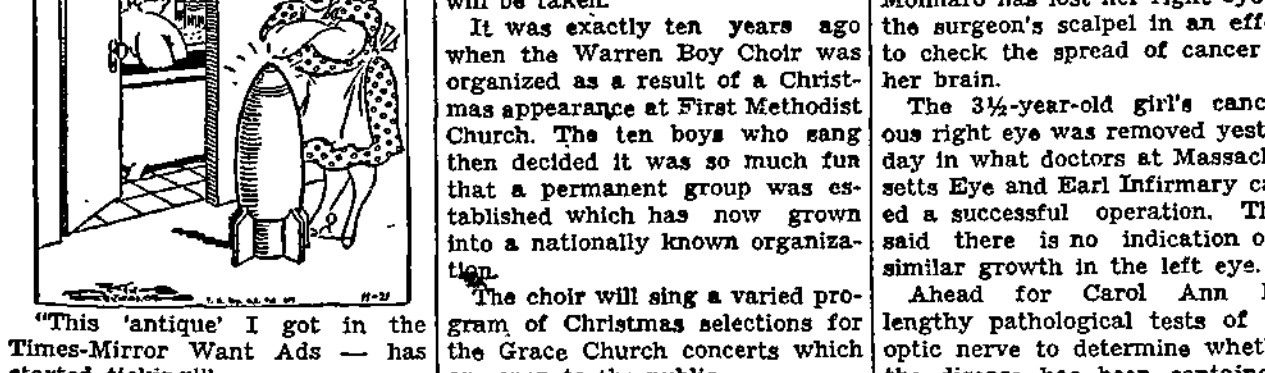

The Warren Boy Choir, celebrating its tenth anniversary this season, will present its annual Christmas concert on Sunday, December 16th, in Grace Methodist Church, according to Byron L. Swanson, Director this morning.

The Christmas appearance will be the first local concert of the Boy Choir since it received critical acclaim from the New York newspaper reviewers as a result of the Town Hall debut in May.

As a Christmas gift to the community, there will be no admission charge to the Christmas concert which will be presented twice—at 4 p. m. and 7 p. m. An offering will be taken.

It was exactly ten years ago when the Warren Boy Choir was organized as a result of a Christmas appearance at First Methodist Church. The ten boys who sang then decided it was so much fun that a permanent group was established which has now grown into a nationally known organization.

The choir will sing a varied program of Christmas selections for the Grace Church concerts which are open to the public.

UNITED NATIONS SECRETARY PLANS TO SUBMIT REPORTS TO GENERAL ASSEMBLY TODAY

United Nations, N. Y. (P)—Egypt was reported today to have the general support of U. N. Secretary Dag Hammarskjöld in its demand that the U. N. police force leave the Suez Canal zone after a British-French withdrawal.

With Britain, France and Israel standing firm in their opposition, U. N. diplomats were said to be seriously concerned over the delay in finding a formula to resolve the deadlock.

Hammarskjöld's view of the function of the police force, based on his interpretation of resolutions adopted by the General Assembly, was reported to include possible security during the clearing of the blocked waterway. A U. N. spokesman said such "security arrangements" would be subject to negotiation.

The secretary general, who returned yesterday from a troublesome shooting trip to Egypt, planned to submit two reports to the Assembly today. A U. N. spokesman said one centered on the operation to clear the canal, in which Hammarskjöld agreed the U. N. would help, and the other on the U. N. police force.

Egypt has demanded that Britain, France and Israel immediately withdraw their troops from Egyptian territory seized in their offensive. Britain and France have insisted they will pull their forces out of the northern third of the canal zone only if the positions are taken over by U. N. police troops. Israel has indicated it will try to hang on to the Gaza Strip and so far has not moved to withdraw from Egypt's Sinai Peninsula.

The U. N. spokesman said clearance of the canal, blocked by the wreckage of two bridges and 47 sunken ships, would be undertaken as authorized by the U. N., with the organization arranging with "a number of firms" to do the work. He added, "The negotiations for the undertaking might also have to cover security arrangements."

Hammarskjöld's first conferences after his return here included sessions with British Foreign Secretary Selwyn Lloyd and French Foreign Minister Christian Pineau. Both were understood to have insisted that their governments will not withdraw their troops from Egypt unless the U. N. force polices the canal area.

Egypt in turn stood firm on its demand — backed by the Soviet Union—that the U. N. troops must take up positions along the 1949 Egyptian-Israeli armistice line after a speedy withdrawal of British, French and Israeli forces.

United Nations, N. Y. (P)—India and two other Asian neutrals—Ceylon and Indonesia—have unexpectedly backed U. N. moves to make an on-the-spot check in Hungary.

The three nations, which had kept aloof from the Hungarian dispute, put in a resolution calling on Hungary's Communist government to grant Secretary General Dag Hammarskjöld's request to let in U. N. observers.

Hungary's puppet regime has refused to admit U. N. political observers but has said it would allow relief supplies with U. N. representatives to enter Hungary. However, it has evaded a request from Hammarskjöld that he be admitted as head of the relief mission.

The Assembly yesterday debated Cuba's call for the Soviet Union to stop deportations of Hungarians, but V. K. Krishna Menon of India reportedly asked that the Asians powers' proposals be given priority.

Informed sources said the Russians were perturbed over the sudden move by the three Asian nations, whom they had expected to keep silent during the debate. But Indian Prime Minister Nehru, after insistent prodding by opposition Socialists and some news-

Broken Straw Bridge Repair Job Is Set For Early in Year

Chester Walker, Warren Highway Department Superintendent, reported this morning that the steel mesh for the Broken Straw Bridge would probably be installed in mid-January.

The project, expected to cost about \$15,000, has already been contracted for by the state and a steel mill is expected to begin turning out the first of next year.

This will correct a dangerous bump now present in the clattering, wooden flooring.

Elsewhere in the department, Mr. Walker reports highway equipment is ready for winter. Cinders are being stockpiled, snow fences are up, culverts marked, plows ready and snow predicted.

YM Membership Drive Exceeds Goal by Almost 100 Members

The Victory Dinner in the 1956 YMCA membership enrollment campaign turned out to be a real victory event last evening, when workers reported a grand total of 793, nearly 100 members over the set goal of 700.

In the Division race, honors were divided, the Red group under Allen Anderson nosing out the Blues by a 400 to 392 score, but the Blues, under Francis Hetrick, taking a big lead, 9,533 to 8,184, in point scores.

In the team contest, No. 9 of the Blue Division, captained by Nick Wendelboe, Jr., turned in high total of members and points, 115-2,503; with Richard Meacham's Team 1 in the Red Division scoring 101 members and 2,044 points.

In the members race, Dr. L. W. Krespan's Team 4 of the Red Division was third with 90 members; James Torrance led his Team 10

of the Blue Division to a third place 1,904 point winner's past.

In the individual worker's contest, high point winners were as follows: 1—William Yeager Jr., 1561; 2—John Stachowiak, 1103; 3—Henry Peterson, 788; 4—W. M. Hill, 682; 5—James Torrance 645; 6—R. W. Armstrong, 632; Grover Lind, 613; John Newmaker, 576; Dr. L. W. Krespan, 544; E. H. Lefford, 530; Ken Porter, 528; Gerald Huber, 493; Richard Meacham, 453; Gail Cobb, 422; and Milton Dahler, 411.

Final team scores were as follows: Red Division, team 1—Richard Meacham, captain, 101 members, 2044 points; team 2, George Fritz, captain, 77 members, 1634 points; team 3, Ervin L. Rader, captain, 62 members, 1419 points; team 4, Dr. L. W. Krespan, captain, 90 members, 1822 points; team 5, Charles H. Eaton, captain, 80 members, 1622 points.

Football Lettermen Announced at WHS

Fourteen seniors on Warren High School's Dragon Varsity this year have won letters, according to Coach Fred Bell.

The seniors are joined by three juniors, four sophomores and the varsity managers.

It was the second varsity letter for 13 of the seniors and also No. 2 for junior Conrad Hultman.

Second football letters were won by John Berdine, Jim Griffin, Bob Hartnett, Dick Kremer, Henry Lanman, John Powley, Harry Brooker, Clarence Jenkins, John Salerno, Bruce Trevenen, Ronald Sandon, Ted Rosequist and George Rasmussen. Senior Fullback Dave Swanson won his first football emblem.

Other juniors winning letters besides Hultman were Dave Swadwick and Jack Suppa. Sophomore lettermen are Louis Mascaro, William Mervine, Don McKelvey and James Olson.

Senior lettermen for their managerial tasks are Curtis Johnson and Phil Corra.

Conemaugh Woman Is Instantly Killed In Forest County

A 55-year-old Conemaugh woman was instantly killed Monday evening when the car in which she was riding hurtled into the side of a tractor-trailer which was blocking Route 62 just north of Endeavor.

She was Mrs. John A. McCall of RD 1, Conemaugh. Her husband, aged 54, is listed in "critical" condition at Warren General Hospital where he is reported suffering from multiple fractures of both legs and arms, plus severe cuts about the face and body.

State Troopers gave this description of the accident: The tractor-trailer was turning around by backing into a side road about 1,500 feet north of the intersection of Route 62 and 666 at

Boston Girl Loses Her Eye to Check Cancer

Boston (P)—Little Carol Ann Molinaro has lost her right eye to the surgeon's scalpel in an effort to check the spread of cancer to her brain.

The 3½-year-old girl's cancerous right eye was removed yesterday in what doctors at Massachusetts Eye and Ear Infirmary called a successful operation. They said there is no indication of a similar growth in the left eye.

Ahead for Carol Ann lies lengthy pathological tests of the optic nerve to determine whether the disease has been contained.

Tool Engineers of Area Hold Meeting in Hotel Jamestown

Chautauque Warren Chapter No. 108 of American Society of Tool Engineers, in conjunction with the other chapters in the United States and Canada, are conducting a program to inform educators and industrial management of the importance of tool engineering. The program includes stressing the need for formal training in tool engineering, necessity of the tool engineer and the prominent role they play in industrial manufacturing.

In keeping with this program, members of industrial firms and educational institutions in the area served by the local chapter were invited and attended the regular meeting of tool engineers at the Hotel Jamestown November 15. Those in attendance from industry and education were A. R. Bailly, Ben W. Tewinkle, C. C. Ring, Donald Johnston, John Marshall, E. Eugene Munson, H. W. Rood, L. R. Wanner, B. G. Kazelunas, G. Benson, R. H. Alexander, Donald Turner, Ralph King, Simeon Capizzi, E. F. Borro, William Moreland, Clayton Akin, A. G. Monta, Edward Fisher and Ralph Rhodes. Chapter Chairman Cleon L. Douglas introduced the national secretary, William Moreland, who gave an interesting summary of the organization at the national level. This included the research conducted in the various phases of tool engineering and methods of distributing the findings to its members through "The Tool Engineer", a monthly magazine publication, technical papers, data sheets, tool engineer handbook, design handbook and now a jig and fixture design handbook for which data is being compiled.

Past chairman Robert J. Wilson introduced the principal speaker of the evening, E. F. Burro, supervisor technical service, Purex Plastics Division, Hooker Electro Chemical Company, North Tonawanda, N. Y.

Sugar Grove To Have Annual Union Service

Sugar Grove—The annual union Thanksgiving service will be held in the Methodist church at 7:30 p. m. Wednesday. The sermon will be preached by the Rev. Robert Williams, of the Free Methodist church, and all in the community are cordially invited.

Local volunteer firemen were called out about 1:30 p. m. Saturday, when children playing with a lighter, set bedding afire at the home of Mr. and Mrs. Chester Loomis, Yankee Bush Hill road, about two miles southeast of Chancellors Valley. Damage was estimated at about \$500 by Assistant Stuart L. Andersen, who headed the 20 men and two trucks sent out.

THANKSGIVING
TODAY...

The oldest and most truly American of our holidays, Thanksgiving, was celebrated by the Pilgrims in a feast with their Indian friends in 1621. Two years later, the first real Thanksgiving was set aside, not as a harvest festival, but as a day of prayer. A resolution proclaiming our first national Thanksgiving was passed in Congress despite vigorous debate, and George Washington set aside Thursday, Nov. 26, 1789, as "a day of Public Thanksgiving and Prayer." President Lincoln, influenced greatly by the pleas of Mrs. Sarah Josepha Hale, issued a National Thanksgiving Proclamation on Oct. 3, 1863—in the midst of the Civil War—making Thanksgiving an annual holiday. Since that time, every President has proclaimed Thanksgiving a legal holiday, on which the whole nation closes its shops, offices, schools and banks, and offers thanks to God for the blessings of our free and beautiful land.

DRY HOLE

The test well north of Spartansburg proved to be a dry hole at slightly less than 3,700 feet. The rig has been moved back to DuBois, it is learned. Backers of the wildcat, from Pittsburgh, have told friends that they may select a location for a second well. The well was on the Halfast farm northeast of Spartansburg. When no oil or gas had been found after the Oriskany had been pierced, the backers gave up.

WELL DOWN 7,910

Titusville Herald: The deep test well near Tidoute is still plagued by cave-ins, but last night it was down to 7,910 feet. Shaw Farm No. 1, being drilled for Biery and Johnson of Oil City, is out of the troublesome Reedsville shale, but is experiencing cave-ins in the Utica shale. In the Reedsville, some 600 feet of hole was cemented, much of it twice. When the color of the shale became dark, drillers knew they were in the Utica. A three-day run made the hole 80 feet deeper, but then it started to cave again. The Trenton strata is expected there at 8,125 feet.

Grandusky was released under \$4,000 property bond.

WARNS HUNTERS ON FARMS

All hunters are reminded to keep an extra sharp eye out for farmers working in the fields this year by W. J. Tucker, area adviser in vocational agriculture, Bellefonte. "This season, for example, many fields of corn have been left unharvested later than usual to allow soft corn to harden and dry out sufficiently for safe cribbing," explained Mr. Tucker, who is a member of the publicity committee of the Pennsylvania Rural Safety Council. "This means that more farmers than usual will be working in the fields during the hunting season. Their safety and that of their families is every hunter's vital concern and responsibility. Hunters should give a wide berth to every one working in the fields, or the owners may decide to post his ground next year. It is better yet, to ask permission to hunt."

Delayed Dedicatory Program Included in Revised School Calendar for Northern Area

In his report at the November meeting of Northern Area Joint School Board, Supervising Principal Everett Landin presented a revised school calendar which embodied the delayed dedicatory ceremonies, now set for the week of April 7-13.

The new schedule calls for Thanksgiving vacation this Thursday and Friday; designates Monday, December 3, as a day of no school because of the opening of deer season; and sets the last day of classes for grade schools on June 12 and for the high school on June 14.

Additional items in the same report showed a detailed summary and resolutions submitted by Mrs. Hazel Kays and Mrs. Allene Briggs, who attended the State School Directors' convention in Philadelphia; analysis of the budget; announcement of Monday's regional meeting at Beatty Junior High.

Chairman John Stewart reported for the building committee, showing the auditorium will be available for use some time in December but will not be entirely finished until a later date; and detailing the insurance program for the new facilities.

Mrs. Allen Briggs, chairman, reported for the ways and means committee, recommending a community survey in early 1957 to determine what demand exists for adult education classes during the 1957-58 school year. Also approved was submission of an application to the United States Department to have Northern Area Schools approved as an educational institution for use by a European girl whose relatives wish to bring her here.

In behalf of the transportation committee, Alden Abbott asked for a resolution petitioning the Department of Highways to improve factors at one point on Route 27.

Following the personnel committee's report by Chairman Floyd Marsh, David Beveino, Warren, was employed as high

school English and history teacher; Dorothy Fisher, Sugar Grove, was added as an approved substitute.

President Travers Stohlberg also called for routine reports from Secretary Hazel Kays and bills, which totaled \$10,673.32 for secondary and \$5,105.62 for elementary schools. Acknowledged was receipt of \$2,286.31 from the state as vocational instruction reimbursement.

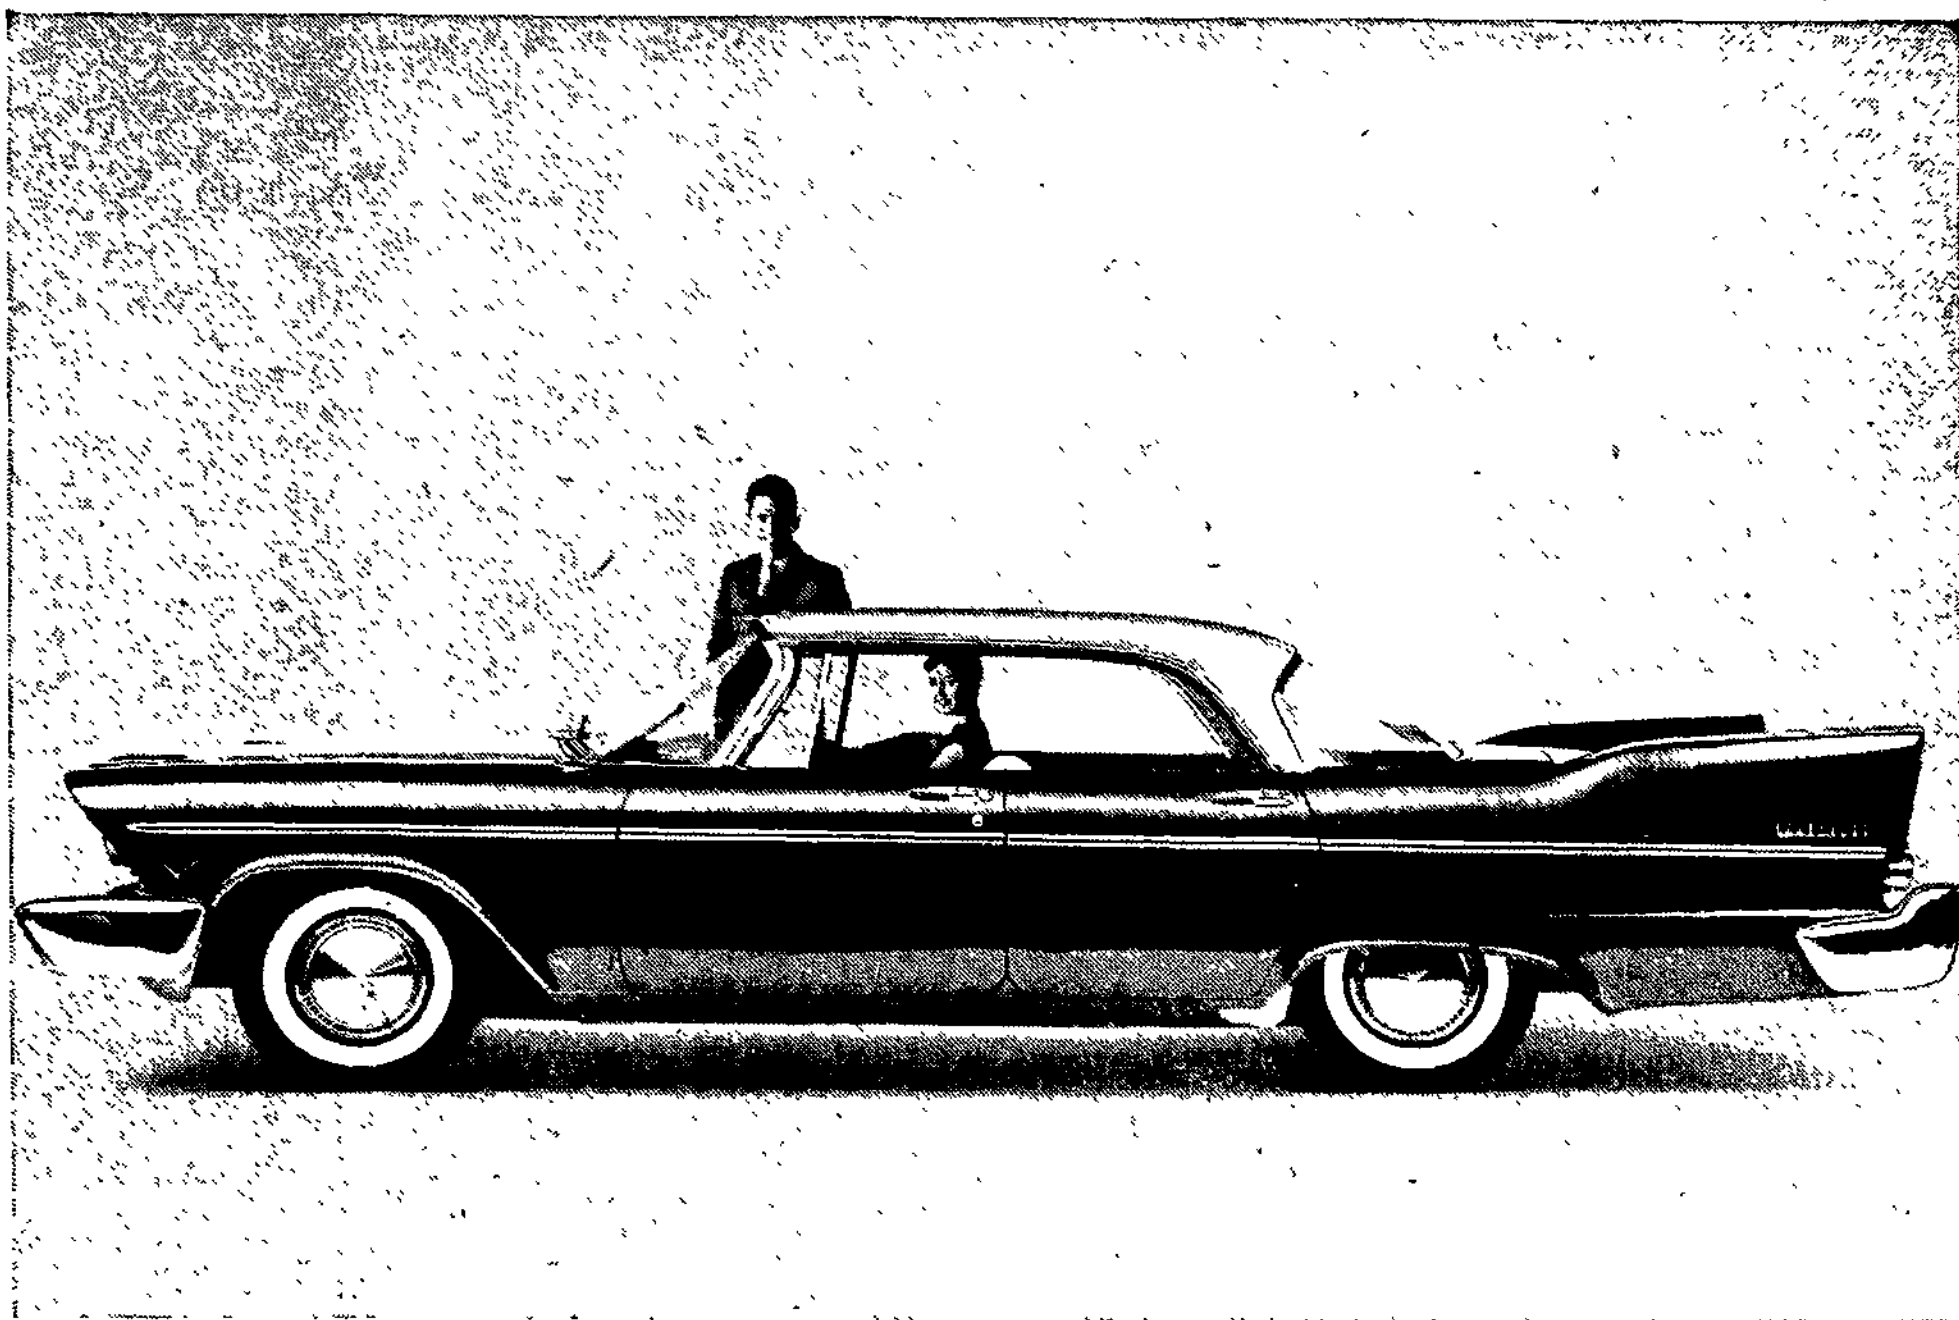

Permission was given Mary Mangus, music instructor, to attend the Pennsylvania Music Educators' meeting in Harrisburg November 29-December 1; Albert Lyford, music supervisor, to purchase specified music instruments to the extent of the budget's provisions.

Considerable attention was given the matter of use of cafeteria facilities by outside groups and it was decided that, until the cafeteria is fully completed, it would be available only to closed membership groups and monies received from such rental should become the property of the board. Additional regulations may be learned by contacting the school. Next regular meeting of the board is scheduled for December 12.

AN APPRECIATION

Publication of the following is requested by the secretary of Conewango Aerie No. 313, Fraternal Order of Eagles: "Conewango Aerie of Eagle's wish to express their appreciation to all the people who donated to the Cancer Fund tag which was held on Nov. 9th and tenth. This year's donation amounted to three hundred forty two dollars and ninety five cents, which we are forwarding to the Damon Runyon cancer research Headquarters. We wish to especially express our thanks to the girls from Beatty school who stuck to the job through the rain and cold in order to make our drive a success."

THANKSGIVING TIME THOUGHTS

From the Friendly Chat, distributed by "Bill Hill: Plutarch, Greek biographer: "The worship most acceptable to God comes from a thankful and cheerful heart."

Jerry Taylor, English bishop: "The private and personal blessings we enjoy, the blessings of immunity, safeguard liberty and integrity, deserve the thanksgiving of a whole life."

Henry Ward Beecher, American clergyman: "Pride slays thanksgiving, but an humble mind is the soil out of which thanks naturally grow."

Abraham Fuller, English scholar: "Many favors which God gives us ravel out for want of hemming through our unthankfulness; for though prayer purchases blessings, praise keeps the quiet possession of them."

Gotthold E. Lessing, German critic: "A grateful thought toward Heaven is of itself a prayer."

William Shakespeare, English poet and dramatist: "O Lord, who lends me life, lend me a heart replete with thankfulness."

Lucas A. Seneca, Roman philosopher: "If I only have the will to be grateful, I am so."

BOUQUET FOR DULLES

Americans learn with gratitude that Secretary of State Dulles appears well on the way to recovery from the illness which felled him at the height of the turbulent events in Europe and the Middle East.

Dulles has many critics both at home and abroad, just as did his predecessor, Dean Acheson, in the Truman regime. It seems inevitable in this age of "angel-devil" politics that any secretary of state shall draw blame like a magnet when world events do not proceed in good order.

But Dulles beyond question has served his country tirelessly and selflessly. His fellow countrymen, whatever their views, can only wish for him the speedy recovery the doctors predict. That would be the least of the rewards he has earned.

KEEPING PACE WITH GRANDAD

How many of us have fondly reflected, while gulping corn that was frozen or milk that was powdered, on the heroic spreads that Grandmother turned out in the pre-Woodrow Wilson era? Our justifying notion is that today's faster pace demands a slim, energetic race not made sluggish by overeating.

Ohio State University's College of Agriculture knocks that theory into a cocked hat with the slightly disheartening news that we're eating as much as we ever did—averaging about 1,500 pounds annually per person since 1909.

Despite all warnings against it, there still must be a few people eating to beat the band (waistband, that is)—and enjoying every bite.

SANTA COMING TO TOWN

With a little cooperation from the Weatherman a big time is in store for kiddies, as well as grownups, when Santa arrives in Warren Wednesday afternoon by helicopter.

As stated in previous editions Jolly Old St. Nick is scheduled to land at War Memorial Field about four o'clock, where he will be welcomed by Neil Culbertson, president of the Chamber of Commerce, and Jake Levinson, chairman of the Retailers' Committee of the Chamber of Commerce, after which he will ride in a parade through the downtown district. The Warren High School band will lead the procession over Cedar street to Pennsylvania avenue to Poplar street, to Third avenue, to Liberty, to Second, to Pennsylvania and Hickory where it will disband.

Incidentally Warren stores will be open all day tomorrow to open the Christmas shopping season and to celebrate the visit by Santa.

THOUGHTS FOR TODAY

Then hear thou from the heavens their prayer and their supplication, and maintain their cause.—II Chron. 6:35.

Let us pray! God is just, he tries us; God is pitiful, He will comfort us; let us pray!—Joseph Roux.

Here and There

Many folks in town, including workers in the Chamber of Commerce, Boy Scouts, Red Cross, Kiwanis Club, Community Chest, Y. M. C. A., Girl Scouts, Y. W. C. A., First Methodist church and countless other organizations and clubs will be interested in a note just received from Cliff Betts, president of the Betts Machine Company and civic booster extraordinary, which contains the following "P.S.": "After ten days of probing, injections, where there were holes, and making holes where none existed before, lying on cold slabs for x-rays, hot tables, stood on your head, etc., etc., I will be home for Thanksgiving!"

In case you have been too busy to study the letter that accompanied your annual allotment of Christmas Seals, it may be well to call attention to a portion of the communication which outlines some of the things that last year's Sale made possible. It says: "Your purchase of Seals the past year helped make possible the following in Warren county."

1. 6,845 Free Chest X-Rays for Adults and High School Students. 343 of these X-Rays showed necessity of follow up with Doctor's care 29 of this number were T. B. suspects, 48 Cardiac and 9 Aortic. The Warren County T. B. Society is not content to rest as long as there is a single person with T. B. with whom our loved ones may come in contact and catch this dreaded disease.

2. Health films are available to clubs and organizations; Health talks and demonstrations by our nurse, Free literature distribution and Case investigations. Part of your Seal money goes into Research. Outstanding among the medical advances are the availability of drugs effective in treating tuberculosis and refinements in surgery.

Picked up an interesting card in the mail over the weekend. Postmarked Glenalmond, Woodend, Co. Wicklow, Ireland, November 11th, 1956. It says: "E. C. Lowrey, Esq., editor, The Warren Times-Mirror, Pennsylvania, U. S."

A.—Dear Sir—I would be much obliged if you would kindly send me a specimen copy of your valuable paper.—Yours sincerely, C. Brown.

★ EDSON IN WASHINGTON ★

X-Ray Pioneer Viewed as Near Martyr to Humanity

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—One of the most dramatic stories of the late political campaign period was the report from Chicago on the 90th operation performed on Dr. Emil H. Grubbe, 81, noted American pioneer in the use of X-rays.

This story didn't get nearly the attention it deserves, in proper connotation. At first glance it might seem to have nothing to do with politics. It doesn't—directly. But it does have a bearing on the banning of hydrogen bomb tests.

Sixty years ago, when young Grubbe was only 21, he was the first American to use the then-new X-rays to treat a woman suffering from breast cancer in a Chicago hospital.

This was an historic event in American medical annals. The young scientist wasn't even a doctor at the time. He was a student physicist. He made his own X-ray vacuum tubes, following the experiments of German scientist Wilhelm C. Roentgen.

THE NATURE and power of the X-ray were not fully understood at the time. Over-exposure to radiation caused young Grubbe's left hand to swell. In time his hand had to be amputated. Over the next half-century, after he had himself become a graduate physician, Dr. Grubbe became a leading teacher of other young doctors in the use of X-rays for human therapy. His students numbered over 7,000 at the time of his retirement, seven years ago. But in this period Dr. Grubbe has been forced to undergo 90 operations for the removal of tissue and bone burned by X-ray. His most recent operation was for the removal of his nose and the right side of his face.

Dr. Grubbe has taken this suffering without complaint. He considers himself a human laboratory subject for the increase of knowledge on the effects of one of the most deadly and at the same time one of the most beneficial forces in nature.

THE MORAL of this story of prolonged near-martyrdom is to be found in the political campaign debate over the banning of hydrogen bomb tests. The subject should probably never have been brought into the campaign in the first place. It isn't a political issue. But now that the election is over, scientists believe it should be considered on its own merits by non-partisan experts as a simple measure of safety first for the human race.

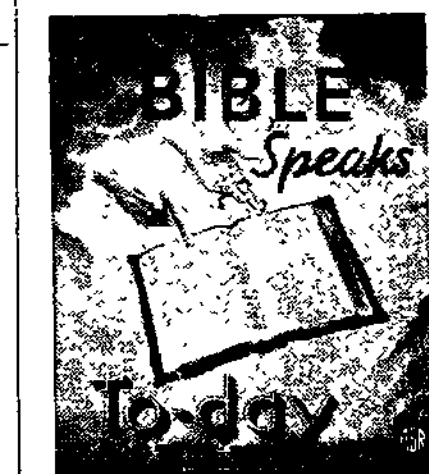

Man's knowledge of the hydrogen bomb and its deadly fallout is today just as limited as man's knowledge of the X-ray 60 years ago, when Dr. Grubbe was making his first experiments.

This fact explains why some scientists say there is no danger from fallout at the present rate of bomb testing, and why other scientists say that it is extremely dangerous.

TRUE, the knowledge of radiation measurement and the science of detecting physical and chemical changes from radiation are more advanced than they were 60 years ago.

By dint of stringent scientific discipline the whole atomic energy industry has turned in an amazing safety record. There have been only a few lives lost from atomic energy radiation and the by-products of nuclear fission and fusion explosions. Those who have been burned were mostly victims of their own carelessness.

But if this record is to be maintained, there must be still greater safety precautions. Uses of atomic energy are expanding rapidly. Sixty years from now it may be too late to correct the injuries to a whole generation of Emil Grubbes subjected to the now not completely known dangers of fallout from too many hydrogen bomb tests.

For the thirteenth year millions of Americans of all faiths will join in daily Bible reading from Thanksgiving to Christmas. This Worldwide Bible Reading is sponsored by the American Bible Society. The program was observed last year in 49 countries.

The readings below were selected by numerous denominations. They are without note or comment, and one may use any version of the Bible he prefers.

MR. AND MRS. FORREST R. CAMPBELL

A double ring ceremony performed November 17 at 10:00 a. m. in St. Joseph's church, Rev. Rocco Tito officiating, united in marriage Cecelia M. Molinaro, daughter of Mr. and Mrs. Frank Molinaro, of 110 South Pine street, and Forrest Reed Campbell, son of Mrs. Adeline Campbell, 7 Cedar street.

The altar was beautifully decorated with white glads and chrysanthemums. Traditional wedding music was furnished by St. Joseph's choir, with Kathleen Edinger at the organ.

The bride, given in marriage by her father, chose a gown of Chantilly lace with scalloped Sabrina neckline, basque bodice, and long sleeves pointed over the hands. The bouffant skirt was of tulle, with front applique of lace and lace side panels forming a back sweep. An imported silk illusion fingertip veil fell from a regal crown of seed pearls and iridescent sequins and her flowers were a white orchid cascade.

Maid of honor was Teresa DeLarco, a classmate, and bridesmaids were Ellen Henley, another classmate, and Doris Larson, sister of the bridegroom, all dressed

ter, Binghamton, N. Y., Erie, Des Moines, Iowa, Denver, Colo., Long Island, N. Y., New Haven, Conn., and Syracuse, N. Y.

The couple will be at home to their friends at 306 Laurel street after November 26. For traveling, the bride chose a blue knit suit, beige coat and dark brown accessories.

The bride graduated from Warren High School in 1953, St. Vincent's Hospital School of Nursing September 2, 1956, and is employed at Warren State Hospital. The bridegroom graduated from Warren High School in 1953, served in the United States Marine Corps for three years, was discharged October 6, 1956 and is employed at Johnson Motors.

Parties were given in the bride's honor by Mrs. M. Mazzuca, Mrs. J. Mazzuca, Mrs. A. Muscare, Mrs. C. Scivano, Mrs. A. Morelli, Mrs. J. Peroski, Mrs. R. Berdine, Mrs. C. Larson and Mrs. William Watt.

The rehearsal dinner was given by Mrs. Adeline Campbell and Mrs. Bruce Jones, mother and aunt of the bridegroom.

Operetta Presentation By North Warren Pupils

North Warren School extends a cordial invitation to all parents and interested friends to share in enjoyment of the operetta, "The Inn of the Golden Cheese", which will be presented in the community house at eight o'clock this evening.

Pupils taking part will be Lisa Johnson, Jerry Bergman, Rick Nelson, Kathy Amann, Peggy McClelland, Donald Bendix, Pauline Tremblay, Michael Morrell, Diane Milligan, Dan Smith, Irvin Betts, Gary Loper, James Grosch, David Holmberg, Chester Dunham, Kathleen Troutman, Tom Minter, Tim Chase, Nancy Ballard, Nancy Chase, Delores Dunn.

Also Marian Hartman, Paula Hudson, Remi Mathieu, Bonnie Rarey, Beverly Schow, Pamela Snyder, Mary Lou Westcott, Terry Berlin, Maurice Baurque, James Dies, James Gray, Francis Kent, Clarence Karey, Jerry Towne, Ronald Wenzel, Robert Crossett, Ronald Hunter, Billy Mulligan and Dennis Seymour.

The story takes place about the year 1700 in the kitchen of the Inn of the Golden Cheese in southern Pennsylvania.

The two fourth grades will combine to play their tonettes, doing the following numbers: Hot Cross Buns; Mary Had a Little Lamb; Hot Dog; Here, Rattler, Here.

Playing the following numbers on the bells will be pupils of the two third grades: Three Blind Mice; Twinkle, Twinkle; Row, Row, Row; Over the River and Through the Woods.

First and second graders of the school will be presenting their special musical program in the spring, it is announced.

MR. AND MRS. WILLIAM GENE RENSMA

Candelabra and baskets of white pom poms formed a pretty setting in Youngville Methodist church November 10 for the marriage of two young people of that community.

Louise Isabelle Gibson, daughter of Mr. and Mrs. Paul Gibson, and William Gene Rensma, son of Mrs. Theda Brown of Mechanicsburg and Frank Rensma, Youngville.

The Rev. J. Norman Holder read the double ring service at 8:00 p. m. Mrs. Annabelle Pierce was at the organ for traditional wedding selections and Joseph Guffire, Warren, sang "I Love You Truly", "Because" and "The Lord's Prayer".

Given in marriage by her father, the bride wore azure blue velvet, styled on princess lines and having three-quarter sleeves. Her headband and veil were of the same shade, her pearls were the bridegroom's gift. With a bouquet of white roses, she carried a white silk handkerchief sent by a friend from Scunthorpe, England.

Norma Inter, as maid of honor, wore a princess gown of pale pink brocade taffeta, with black accessories, and carried pink mums.

Paul Gibson, Jr., served as best man; ushers were Stephen Rensma, Jr., and Robert Armstrong.

Wearing corsages of yellow mums, Mrs. Gibson was in brown oton with winter white accessories and Mrs. Brown chose pale blue silk and black accessories.

A reception for 200 guests was held at 9:00 p. m. in the church parlors, where appointments featured pink and white roses and candelabra. Topping the four-tier wedding cake were miniature bride figures first used on the silver wedding cake of the bride's parents.

Mrs. Jacquelin Gustafson served the cake; at the punch bowl was the bride's sister, Mrs. Laura Barber; pouring coffee, another sister, Mrs. Evelyn Swan. Margo Barton was in charge of the guest

book; other aides were Carolyn Nyberg, Catherine Armstrong and Cosmo Arrigo.

Following a wedding trip to Washington, D. C., Harrisburg and New York City, the newlyweds are at home at 21 West Main street, Youngville. The bride selected for travel a pink orlon suit, brown accessories and white carnation corsage.

She was graduated from Youngville High in 1952 and is employed by New Process Company. Mr. Rensma attended the same high school, served two years in the Army, and is an R. W. Norris Company employee.

Pre-nuptial parties were given by Norma Inter and Carolyn Nyberg; Catherine and Jacquelyn Armstrong.

Youngville Seniors In Successful Class Play

Youngville—It happened on a day in June, in the living room of the Joyces home on the shore of Lake Namakogis. What? The comedy, "Act Your Age", which was presented to the public Thursday and Friday nights in White Memorial auditorium by the senior class.

The cast, in order of appearance, was as follows: Angelica (Angy) Goetz—Barbara Jackson; Geraldine (Gerry) Joyce—Karen Vandemark; Cora—Kay Samuelson; Archibald Hoffenflugel (Gadget), MM 2/c—Frank Gruttaria; James Marson, BM 1/c—Tom Glosick; Helga—Pat Barnes; Sandra Stone—Mary Ann Monak; Western Union messenger—Sallie Haley; Commander Stone—Bob Spencer.

The play was directed by Kathy Adams, of the faculty, with Roberta Buerkle and Doris Dale as student directors.

Entertainment between the acts was furnished by The Blue Notes, Maxine Danielson, Muriel McMeans, LaVaughn Loomis and Regina Nelson; Dora Benedict, who was accompanied by Marie Zolko; and a piano solo by Susan Johnson.

Ushers were Regina Nelson, Peggy Orbanic, Evelyn Baker, Jean Anderson, LaVaughn Loomis, Steve Rensma and Bill Flauss.

Joan Teconchuk and Ruth Ann Peterson were the prompters; Barbara Billsborough, Carol Piccirillo, Renee Hodges and Mary Clancy, make-up staff; the stage crew was ably manned by the Art Club, with Malcolm Wittig and Roy Withington; Senior Dramatics Club handled the publicity.

The senior class expresses its appreciation to all individuals and organizations who helped in any way with production of the play.

YWCA OBSERVANCE World Fellowship Week of the YWCA was observed by the local association with a special program in the activities building. Mrs. Howard Van Orsdale was in charge and devotions were given by Mrs. Donald Spencer.

FALSE TEETH That Loosen Need Not Embarrass

Many women of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

Eight And Forty Votes Aid For Many Projects

At an important session of Warren County Salon 405, Eight and Forty, held at the home of Mrs. Orabelle Shick in Sheffield, contributions were voted to the following:

National Jewish Hospital in Denver, Colo.; Pennsylvania T. B. Fund; Nurses' Scholarship Fund; Craft and Art Fund for Tubercular children; also Christmas funds to be used for T. B. children, patients at South Mountain Hospital, Philadelphia, General Hospital, and De-shon V. A. Hospital nursery.

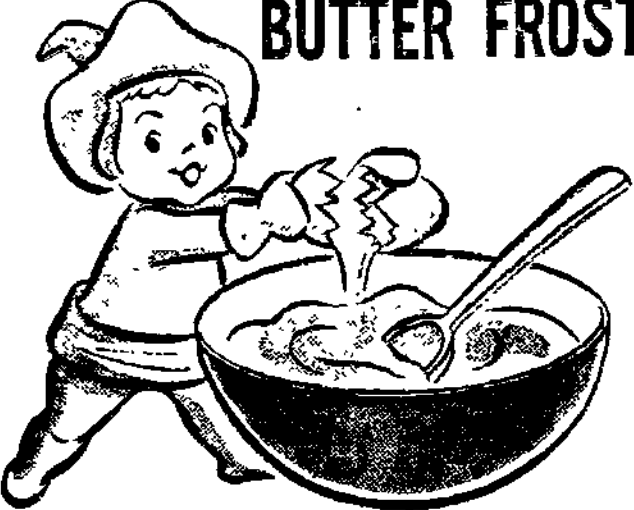

Mrs. Leona Albaugh, chapeau of Warren, conducted the meeting.

with 32 members in attendance. A budget for the 1958-59 year was read by Miss Eva Brown, chairman of the finance committee, and adopted, and salon voted to pay all departmental obligations. It was reported by Mrs. Hazel Witz, T. B. chairman, a total of 60 hours has been contributed by members to Warren County T. B. Society in aiding the Christmas Seal program.

All were reminded to put forth every effort to aid the parent organization, the American Legion Auxiliary, from which they secured their eligibility to become a partner in 8/40, in its membership drive to secure membership of all wives, mothers and daughters of Legionnaires and veterans who gave their lives for their country.

3 SECRETS TO A BETTER BUTTER FROSTING

1. When you're making butter frosting, try adding one egg yolk in place of the liquid listed in your recipe. You'll get a wonderfully rich texture.

2. Remember to frost the sides of your layer cake before you frost the top. Side-frosting seals the layers together. Your cake will stand straighter.

3. Be sure you use Jack Frost Confectioners Super-X Sugar. It's super-fluffy, super-fine to give you the softest, smoothest frosting possible.

Van Guilders Entertain Eighty For Anniversary

Mr. and Mrs. Benton Van Guilder, Grand Valley, observed their 35th wedding anniversary Sunday with an open house attended by 80 guests from Youngsville, Warren, Corry, Pittsfield, Spring Creek, Spartansburg, Titusville, Sugar Grove, Grand Valley and Sanford.

The table was attractively decorated in yellow and white and the three-tiered cake was topped with beautiful bells. Serving were sisters and sister-in-law of the honored guests: Mrs. Pauline Sanden, Sugar Grove; Mrs. Helen Morris, Spartansburg; Mrs. Clara Putnam, Mrs. Edith Putnam, Warren; Mrs. Hazel Houghtling, Grand Valley, and Mrs. Marjorie Walters, Titusville.

The celebrants were remembered with many nice gifts, including flowers and money.

Gertrude Mae Putnam became the bride of Benton Van Guilder on November 22, 1921, at the bride's home, the ceremony performed by the bridegroom's grandfather, the Rev. Timothy Hammond. Their only attendants were the bride's sister, Pauline Putnam, and the bridegroom's brother, Vivian Van Guilder.

They have three children, Mrs. Margaret Ongley and Mrs. Josephine Pearce, Titusville; and Mrs. Dorothy Chappel, Pittsfield. A son, Arthur, died at the age of five weeks.

ALTAR SOCIETY

At the regular meeting of St. Joseph's Altar Society, it was decided to hold the Christmas party December 13 instead of December 20. It will be in the form of a twelve dinner, with each member to bring a 50-cent gift for exchange and an article of canned goods for the Benedicline Sisters. Mary Scalzo and her committee will be in charge of arrangements for the party.

DANCE AT PLEASANT

A round and square dance is scheduled for Saturday night from 10:00 to 1:00 o'clock at Pleasant Fire Hall for members and friends of the fire department. Music will be furnished by the Ford Winner Orchestra with Les Akaley as caller, and lunch will be served.

Gathered From The Party Line

In Cleveland over the weekend to participate in the regional bridge tournament were Mr. and Mrs. M. A. Kornreich, Mrs. Douglas Cropp, D. A. Scalse, Mrs. D. L. Vetter and James R. Valone.

Mr. and Mrs. Ned Salerno, Mt. Clemens, Mich., will be the holiday guests of families and friends in town.

Mrs. Robert Mead, Youngsville, left today to spend the winter in Fort Pierce, Fla., stopping en route to spend the Thanksgiving holiday with her niece, Mrs. J. B. Davis, in North Carolina.

Bob Fitzgerald, son of Mr. and Mrs. Raymond Fitzgerald, Prospect street, is home for the holiday from studies at Carnegie Tech in Pittsburgh.

Fake Furs Will Travel

NEW YORK — (NEA) — The man-made furs are a boon to the girl with a job. The real thing may be too heavy an investment for her. Yet she yearns for fur. There's a happy compromise in the lightweight fabrics that have the look of fur and are cleaned like fur.

They offer warmth, good looks, durability and all at prices without

For the traveler who doesn't want to put her money into a full-length coat, there's a hip-length coat from Lassie Jr. We show it in camel but it's also done in beige and charcoal. This, too, has the set-in sleeves with deep turn-back cuffs.

Singing Boys Of Norway Appear In Carnegie Hall

The Singing Boys of Norway, currently on their second coast-to-coast tour of America and coming to Beatty Junior High School next Monday evening, will have the thrill of singing in New York's beautiful Carnegie Hall on Wednesday.

The 83-voice group performs under the direction of Ragnold Bjorne, who organized the first singers in 1927, and will be the first of four attractions presented for the 1958-59 Warren Junior Chamber of Commerce Concert Series.

All those holding Concert Series memberships for this year have been reminded by postals of the following events:

Monday, November 25 — The Singing Boys of Norway.
Wednesday, January 8 — Boris Goldovsky's "Piano Portraits".
Wednesday, February 13 — William Warfield, baritone.
Sunday afternoon, March 10 — Roman Totenberg Instrumental Ensemble.

Motor Club Officials Discuss Driver Training

Officers of the Warren County Motor Club and the Public Safety Committee held a dinner meeting at the Blue & White restaurant last evening with five of the six instructors in driver training in schools of Warren, Sheffield, Sugar Grove, Youngsville and Tid-jouta.

Dr. Quay A. McCune, president of the club, was in charge. He explained that the purpose of the conference was to learn from the instructors how the Motor Club could be of more service to the schools and pupils taking advantage of the courses offered.

Many suggestions were offered, and from these the Safety Committee will make some recommendations to the November meeting of the Motor Club board of governors Wednesday evening.

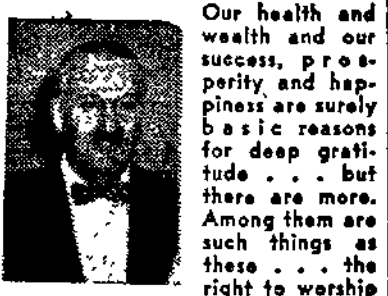

In addition to President McCune the club was represented by Secretary H. M. Bowersox; Treasurer A. L. Rassmussen, and the committee consisting of Doug Kropp, chairman, George Seavy, and Ed Lowrey. Instructors present were: LeRoy Peck and J. E. Springer, Warren; Lou DeRubies, Sheffield; Bob Grosch, Northern Area, and Bill Belchner, Brokenstraw Area.

THANKSGIVING

Our health and wealth, our success, prosperity and happiness are surely basic reasons for deep gratitude... but there are more. Among them are such things as... the right to worship as we please... and liberty... and, so we say, "Thank God for all we have today."

The basic reason for insurance is to protect you and yours. One emergency can result in complete financial ruin. You can't afford to take that chance. Your requirements will best be cared for through custom-fitted insurance. That's just what you will get after a consultation at the...

Two Boys Rescue Lady With A Broken Leg

Mrs. Bessie Rosentrater of RD 1, Clarendon, was reported to have spent a "fair" night at Warren General Hospital where she was taken Sunday after two boys found her lying helpless along the Allegheny River with a broken leg.

Larry Gardner of Stoneham and Tom Ristau of RD 1, Clarendon, both aged 13, were fishing Sunday near the Marconi Outing Club when they heard Mrs. Rosentrater's calls for help.

Discovering the woman unable to move, Larry hurried to Mrs. Rosentrater's home and asked "information" to send an ambulance. Then he stood on the road and waited for the emergency vehicle to arrive, so he could give directions.

Mrs. Rosentrater could not remember how long she had been lying on the river bank where she had slipped and fallen while fishing.

For Larry the act of mercy was the third time he has been able to help someone in trouble that he has come across while hunting or fishing.

Charge of Leaving Scene Is Dropped

Squire Harry Barley of Conewango Township yesterday afternoon dismissed a charge of leaving the scene of an accident which had been preferred against a 25-year-old man Friday night after he led law enforcement officers from two states on a wild 23-mile chase.

Robert Kirik of Warren-James-town Road had already paid a total of \$65 in fines on four charges of driving too fast for conditions, speeding, reckless driving and operating without a license.

The fifth charge, of leaving the scene of an accident, was dropped for lack of sufficient evidence, according to Squire Barley. That was the specific offense which touched off the wild chase about 9 p. m. Friday. Kirik was said to have sideswiped a car on upper Mar-ket.

Investigation revealed, however, that instead of a car his machine had sideswiped a guard-rail in Irvine. Kirik was nabbed when he abandoned his car on the Onoville-Ivory Road near Frewsburg and attempted to flee into the woods.

Newest Supreme Court Justice Delivers Talk

Justice William J. Brennan, Jr., newest member of the U. S. Supreme Court, spoke at the Wharton School of Finance & Commerce of the University of Pennsylvania, Philadelphia, this morning at 11 a. m. His talk was titled "Does Business Have a Role in Improving Judicial Administration?"

Justice Brennan, who graduated from the Wharton School in 1928, was giving one of the Howard M. Crawley Lectures in connection with the 75th Anniversary of the founding of the Wharton School; the oldest school of business administration in the country. It was the second event in the commemoration of the diamond jubilee which opened on October 12th.

Justice Brennan had been on the State Supreme Court of New Jersey at the time of his appointment to the Supreme Court a month ago. He was formerly a practicing attorney in Newark, N. J.

blocked Route 62 in the early dark at 6 p. m.

From the north came a 1953 Chrysler driven by Mr. McCall. The road at that point is straight for about 600 feet. The McCall car, apparently without slowing up, ran directly into the side of the trailer. The car was demolished.

The tractor-trailer outfit is owned by Bowser Transfer of Big Run near Punxsutawney. Driver was Harvey Bowser, 39, brother of the owner. Neither he nor his helper, Eugene Bennett, 64, of Punxsutawney, RD 2, was injured.

McCall died instantly of a broken neck. Before the Forest County coroner or State Troopers could arrive at the scene, the Sage ambulance from Tidoute had brought the injured man to Warren General. The woman's body was taken to Rhodes Funeral Home in Tionesta while the family was notified.

The McCalls were returning home from visiting their only daughter in Derby, N. Y. She was the former Mary Elizabeth Dick. Troopers estimated damage to the middle of the trailer at \$500.

Troops from the Tionesta barracks gave this reason for the truck turning at that particular point:

Two tractor-trailers were supposed to be traveling together. When the second machine did not show up driver of the truck involved in the collision turned around and began heading back to look for the other truck.

The vehicle passed a short time later going in opposite directions. The guilty machine then stopped at the next wide place in the road and was turning around when the tragedy occurred.

Troopers were not certain what charges, if any, would be placed.

Erie Men Injured At National Forge

Two Erie men were taken to Warren General Hospital this morning when they suffered probable severe injuries while on the job at National Forge.

Hospital attendants said at noon that Frank Mayo, aged 60, and Bernard Harad, 37, were both undergoing x-ray to determine extent of injuries.

Full details were not forthcoming from National Forge but it was believed the men were working on a scaffolding at an addition to the plant when a loose beam fell, causing the accident.

Democratic Congressman Suggests A Victory Ball

Washington (P)—Two Pennsylvania congressmen today approved a suggestion by Sen. Humphrey (D-Minn.) that Democrats hold a victory ball to celebrate the party's success in retaining control of Congress.

In offering his proposal, Humphrey asked that "instead of letting the Republicans seize all the limelight with inauguration festivities in January, why can't we Democrats sponsor a big Democratic victory celebration near the year end?"

Rep. Kelley (D-Pa) said he thought the suggestion was a "good idea" and that "I would be for it."

Rep. Flood (D-Pa) termed it a "sound idea" but said there was a question as to the time.

Hoxsey Clinic Battles For Return Of Pills

Pittsburgh (P)—U. S. District Court is studying a request by the Hoxsey Cancer Clinic, Portage, for a new trial in its battle for return of a half million pills seized by the government.

A Federal jury ruled last week that the government acted properly in seizing the pills in a raid on the clinic in March, 1955. The government claimed the pills were misbranded as effective in cancer treatment. A judge ordered the pills destroyed.

Vincent M. Casey, attorney for the clinic, submitted the motion for a new trial yesterday, contending last week's verdict was against weight of the evidence.

Sixty Refugees

tal Committee for European Migration, left Vienna's Schwechat Airport early this morning with the first 41 refugees bound for the United States. It collected another 19 Hungarians in Munich and was due at McGuire Air Force Base, N. J., near Camp Kilmer, tomorrow.

The next planes carrying U. S.-bound refugees are scheduled to leave tomorrow. Two or three planes—one from Linz and the others from Vienna—are expected to take off with about 200 refugees, ICEM officials announced. Committee spokesman said one plane would go to Milwaukee to take part in a free Hungarian celebration Sunday.

The first group from Vienna included 15 men, 11 women, 13 children under 14 years old and 2 infants. Most appeared calm and thoughtful. Before taking off, they gathered about the plane and sang their national anthem, "God Help Hungary."

President Eisenhower offered refuge to 5,000 Hungarians. The State Department said it already has received offers from Americans to help 3,000 of these get homes and jobs.

Most other countries offering homes to the refugees were taking them far faster than the United States.

papers, told the Indian Parliament yesterday that Soviet troops were camped in Hungary against the wishes of the Hungarian people. Nehru declared the bitter resistance of Hungarian workers had "powerfully affected" Russia's prestige in Eastern Europe and elsewhere. He said U.N. observers should be admitted to determine the actual situation.

During the debate on the Cuban resolution, Chief U. S. Delegate Henry Cabot Lodge Jr., said the United States had information that Russia has deported 16,000 persons in boxcars from Budapest alone.

PROBE STRANGE BLAST

Harrington, Del. (P)—Air and ground searching parties fanned out over central Delaware today after a farmer reported a "strong explosion" rocked the Harrington area.

Fairmer George Ehlers said the blast sounded like a plane crashing into some woods on his farm four miles southwest of here shortly before 8 a. m. EST.

HUNGARY'S GENERAL STRIKE CONTINUES—Citizens of Budapest walk along a rubble-strewn street in the Franz-Joseph-Ring in the capital city. All public transportation in Budapest is at a standstill due to the general strike called when the Hungarians revolted against their Communist overlords.

RUSSIAN-BUILT GUNS—Israeli soldiers in Tel Aviv work on seven of the Russian-built anti-tank guns captured from Egypt during recent fighting in the Sinai Peninsula. Israeli troops are reportedly working at full speed to clear the peninsula of captured Egyptian equipment and documents to support Israel's claim that the vast area was being readied as a Soviet military base.

Phils Trade Del Ennis For Two Cardinal Players

Philadelphia (P)—The Philadelphia Phillies today traded right fielder Del Ennis to the St. Louis Cardinals for outfielder Rip Repulski and utility infielder Bobby Morgan in a straight, two-for-one deal.

Ennis, who long was the Phils' power hitter, has spent all 11 of his major league seasons with the Philadelphia club. Last season he batted .260 and drove in 95 runs, with 26 homers included in his hit total.

General Manager Roy Hamey of the Phils said Repulski will be expected to take Ennis spot.

Easter Hangover Shows Thanksgiving Madness

An East Side duck apparently is getting a little short on tranquilizing pills as the big bird day approaches.

Yesterday afternoon about 5 p. m., 9-year-old Kathy Pearson was exercising the child's prerogative of petting all God's creatures, when the duck struck. Kathy, daughter of Mr. and Mrs. Stanley Pearson, 304 Lincoln avenue, was bitten three times on both legs.

The child was given anti-tetanus shots, the duck a scolding and both are back in school today.

Thieves Steal Furnace From Pittsburgh Home

Pittsburgh (P)—Nancy Robinson had a cold house, because of some slick thieves.

A few days ago Miss Robinson had a new furnace installed. Yesterday two men came, said they were the furnace dealer and would have to remove the furnace—the wrong model had been installed.

"They looked like furnace men and seemed to know their business," Miss Robinson told police. She said she became dubious when the men didn't return with a substitute model. Her worst fears had been confirmed by her dealer who said he'd installed the right furnace in the first place.

BIRTH RECORD

In Bergenfield, N. J.
Mr. and Mrs. Henry E. Korn, 158 Clinton avenue, Bergenfield, N. J., are parents of a son born November 19. Mrs. Korn will be remembered as the former Carol Johnson of this city.

In Pittsburgh
Mr. and Mrs. Neil Simmons, Pittsburgh, are parents of a son born November 14. The young man, weighing eight pounds and four ounces, has been named Kevin.

Two Auto Mishaps Are Probed By Boro Police

Over \$500 damages were inflicted on four vehicles which were involved in two separate collisions in the borough Monday. At 8:08 a. m. George Frits, 35, of 202 Connecticut avenue and Maxine Marie Mitchell, 18, of RD 1, Spring Creek collided at the intersection of Second and East street. Police said Frits was traveling south on East and Mitchell east on Second when the mishap occurred. Damages amounted to about \$400.

The second accident happened at 4:18 p. m. at the intersection of Fifth and Market. Two cars traveling south attempted at the same time to pass a left-turning car on the right. An estimated \$150 damages were caused to the cars of Bernard B. Flasher, 26, of RD 1, Tidoute, and Mrs. Mary Nelson of RD 1, Pittsburgh.

Week's Football Winners As Picked by A.P. Sports Writer

By HAROLD CLAASSEN
Nandi, Fiji Islands (P)—Football pickers normally are confused. But it gets worse as you travel toward Australia and cross the date line with today automatically becoming tomorrow. And to make it worse, the police in this tropical outpost wear skirts—that's right, skirts.

With those handicaps, here's the week's football winners:
Ohio State a tie for the Big Ten title.

Oklahoma over Nebraska: This is getting monotonous.

Colgate over Brown: The annual turkey day attraction for New Englanders. But it shouldn't be a 25-0 for Colgate as it was a year ago.

Yale over Harvard: Dennis McGill to give the Harvards a very disagreeable Saturday afternoon.

Georgia Tech over Florida: A Saturday bruiser. Tech gets the edge in belief the Engineers will

devise a way to stop Jackie Simpson.

Skipping over the others in a hurry:

Thursday

Penn over Cornell, Davidson over Furman, Maryland over North Carolina State, William & Mary over Richmond, Virginia Tech over Virginia Military, South Carolina over Wake Forest, Washington University over Washington and Lee, Denver over Colorado A. & M., Idaho over Montana, Oregon over Oregon.

Friday

Miami over West Virginia.

Saturday

East: Boston College over Brandeis, Villanova over Iowa State, Princeton over Dartmouth, Columbia over Rutgers, Pittsburgh over Penn State.

Midwest: Iowa over Notre Dame, Michigan State over Kansas State, Illinois over Northwestern, Minnesota over Wisconsin.

Purdue over Indiana, Tulsa over Wichita.

South: Mississippi Southern over Alabama, Auburn over Florida State, Clemson over Virginia, Arkansas over LSU, Duke over North Carolina, Tennessee over Kentucky.

Southwest: Texas Christian over Rice, Houston over Texas Tech, Baylor over Southern Methodist.

Farwest: Air Force Academy over Brigham Young, Southern California over UCLA, Washington over Washington State.

Successful Deer Season Launched In New York State

Dick Isaacson in The Jamestown Sun:
Employing the age-old Postman's motto in reverse, Chautauque County big game hunters battled such adverse deer hunting conditions, as sunny skies, dry noisy leaves and no tracking snow, plus a rapidly diminishing quantity of open gunning lands, Monday, to record a highly successful opening of the 1956 deer and bear season.

The pre-season forecast had been for a light opener based on the late season spurge of warm weather, the lack of rain or snow and the extremely dry conditions of the woods, but the county's nimble hunters proved the match for the white-tails and deer-draped car fenders could be spotted from all points of the county.

As in the past seasons, the hot-spots of concentrated hunters proved the most productive. The Panama, Niobe, Blockville sector yielded its annual harvest, Frewsburg from Frew Run on to the Pennsylvania border looked like the local meat market on a one-cent sale day, while Gerry, Ellington and Sinclairville drew their stalwart campaigners.

FLOAT-HUNTING SQUIRRELS

ONE OF THE MOST EFFECTIVE METHODS OF SQUIRREL HUNTING IS FROM A BOAT, DRIFTING DOWN A STREAM, LINED WITH TREES. ANY STREAM IN GOOD SQUIRREL AREAS WILL DO. YOU NEED A HELPER TO QUIETLY GUIDE THE BOAT WHILE YOU'RE SHOOTING (PALS CHANGE ABOUT SO EACH GETS A CHANCE TO SHOOT). MORNING AND EVENING ARE BEST, BUT SQUIRRELS VISIT STREAM BANKS ALL DAY.
SHOTS ARE BEST ON FLEEING SQUIRRELS WHO SPOT YOU FIRST.

TWO RUGGED BOYS—From Lafayette, Ind., comes word that two former football stars from Youngsville and Warren High School have a good chance of appearing in the starting lineup at Purdue next year. Playing with the freshmen this year were (at left) Joseph Kulbacki, six-foot, 175-pound halfback candidate who last year starred with Youngsville, and Mike Shanshala, 6-foot-4 210-pound end, formerly with the Dragons. Providence, R. I.—Rocky Castellani, 160½, Linwood, N. J., outpointed Al Andrews, 160, Superior, Wis., 10.
New Orleans—Willie Vaughn, 159, Hollywood, Calif., stopped Felix Choo Choo Benson, 153, Philadelphia, 4.

Jaye Sets New Record, Bowls 267

The highest single game to be bowled by a woman on Warren alleys in years was chalked up last night on Penn lanes when Mrs. Jaye Pappalardo toppled the pins for a 267 total.

Bowling for Walkers in the Ladies City League, Mrs. Pappalardo put together six consecutive strikes before slipping to a pair of spares then striking three more times. Last-ball-toss saw only 9 pins fall for a resounding total of 267. Previous high game was 235 last year.

Excitement began to take its measure for the next games in the string as Jaye rolled first a 158, then a 177 for a commendable total of 602. She started off the season with a 155 average, seems to be hitting considerably higher now.

Allegheny Player Holds Penn'a. Scoring Record

Philadelphia (P)—Jim (Pancho) Villa of Allegheny College today held the 1956 Pennsylvania collegiate football scoring title, but he needed four touchdowns in his last game to make it.

Villa, of North East, tallied four TDs against Dickinson last Saturday to outdistance Geneva's Will Taylor, who ended the season with 90 points to Villa's 96. Taylor, a freshman, got two Saturday against Lycoming, his 14th and 5th of the season.

Jack Connor of Shippensburg, who wound up his season Nov. 10, was third with 80 points. George Dintman of Lock Haven, who broke loose for four touchdowns against Mansfield on Saturday, finished with 73 points for fourth place, and Bill Berrier, a Juniata freshman, was fifth with 74.

Pitt Being Considered For The Cotton Bowl

Pittsburgh (P)—The president of the Cotton Bowl says Pitt is one of several teams being considered for the New Year's Day football game but that a choice won't be made until Dec. 1.

Robert Cullum, bowl president, said in Dallas, Tex., last night that Pitt was under consideration along with Navy, Georgia Tech, Tennessee and Syracuse. However he said no "feelers" have been advanced to Pitt as yet.

Meanwhile, the Panthers began to get ready for a more immediate problem—the 56th meeting with Penn State here next Saturday.

Coach Johnny Michelosen had the squad don sweat shirts and go through light drills yesterday. Practice tempo picks up considerably today with a long drill and scrimmage scheduled.

Brundage Loses Out In Proposal To Keep Athletes Amateurs

By TED SMITH
Melbourne (P)—The International Olympic Committee on the eve of the opening of the 1956 games rebuffed its president, Avery Brundage, and voted down his proposal to include in the oath a promise by athletes that they intend to remain amateurs.

The action at the secret meeting in Melbourne town hall was disclosed by committee members who declined use of their names. It affirmed a previous decision of the executive committee. Brundage, a champion of amateurism in its purest form, frowns on athletes who capitalize on their Olympic fame by turning professional.

Workmen are still toiling frantically to get the Melbourne cricket grounds in shape for the opening ceremonies Thursday. Painting remains to be done and much debris must be cleaned out.

Best piece of news was a weather bureau forecast that Thursday would be warm and sunny.

Constance Stopped By Hart for First Time in His Career

New York (P)—Garnett (Sugar) Hart isn't quite a new Sugar Ray Robinson at this stage of his career but the 21-year-old Philadelphia welterweight is a strong candidate for Rookie of the Year honors.

Even his latest victim, Hector Constance of Trinidad, had to admit "he's a good boy" after he was stopped for the first time in his 44-bout career last night at St. Nicholas Arena. However, Constance and his handlers said Referee Ray Miller was more responsible for the technical knockout in 1:49 of the 10th than Hart.

Constance, who hails from the British West Indies, said Hart wasn't in the same class as Kid Gavilan and Tiger Jones, two of the better men he has fought.

Because he was cut over the left eye in the seventh, Hart may not be able to keep a scheduled Dec. 17 date at St. Nick's with Gene Johns, a Ray Robinson stablemate.

Pitt End Elated Over Selection By Colliers

Pittsburgh (P)—End Joe Walton of Pitt believes his selection to the Collier's magazine all-star football team is "the greatest thing that ever happened to me."

Selection of the former Beaver Falls High School star was announced last night. The team was picked by the American Football Coaches Association.

"It's a dream of a lifetime," the pre-dentistry senior said. "Something I've always thought about since I was a little kid. I won't believe it until I see it in the papers."

New York—Henry Kennedy of Michigan State bettered the NCAA record for the five-mile cross country race by going the distance in 24:01.8 and the Spartans also captured the team title with 34 points at Van Cortlandt Park.

Hollywood, Calif.—Clyde King, 32-year-old manager of the pennant-winning Atlanta Crackers, was named manager of the Hollywood Stars of the Pacific Coast League.

Pawtucket, R. I.—Hickory Hill (\$7) came from behind to win the feature at Narragansett Park.

Baltimore—Akbar Khan (\$4.40) scored by two lengths in the H. P. E. A. Purse at Pimlico.

Baltimore—Mrs. Jan Burke's Dedicate was withdrawn from Thursday's Pimlico Special, leaving a probable field of eight.

PICTURE NEWS

AROUND THE WORLD

CRINOLINE ROAD BLOCK—Herman Bergqvist, a Leavenworth, Kan., high school freshman from South America, finds passing in his schoolwork a cinch to passing between two crinoline-clad seniors. Carol Hauenstein, left, and Miriam Ash are causing the sort of traffic jam that brought about a ban against the stiff crinolines in some Kansas schools.

A HERO COMES TO LONDON—A huge bronze statue of the South African soldier-statesman Jan Christian Smuts is being hoisted into place on Parliament Square in London, left. The work of sculptor Sir Jacob Epstein, it took one year to make the statue with the fists clenched symbolically behind the back of the World War I uniform, right. Smuts became a hero in the Boer War against the British and was Prime Minister of South Africa in 1919.

SHIRLEY TAKES THE CAKE—Mrs. Charles Black, of Stanford, Calif., is cutting the first piece of cake that celebrated the opening of a new shop. The former Shirley Temple, of child star movie fame, lives quietly with her husband and children and rarely makes a public appearance. Lloyd Dinkel-spiel, chairman of the Stanford board of trustees, looks on.

EASY LIVIN'—Although most of the U.S. has begun to feel the effects of November weather, the bright sunshine at Saint Tropez, in southern France, seems to be too much for starlet Evelyn Kerr. The shapely lass has apparently had all she wants of it, and she's preparing to spend the rest of the day under that umbrella.

THIS TIME OF YEAR—Mothers go out for the air as youngsters are out to play during an autumn warm spell in Paris. One little girl seems to be offering sage advice to the other children who are busily making castles in the sand.

ON DUTY—A reindeer from Norway looked a bit uncertain as it arrived in New York with 20 others. The little animals will soon report for duty at Christmas exhibitions in Illinois and Florida.

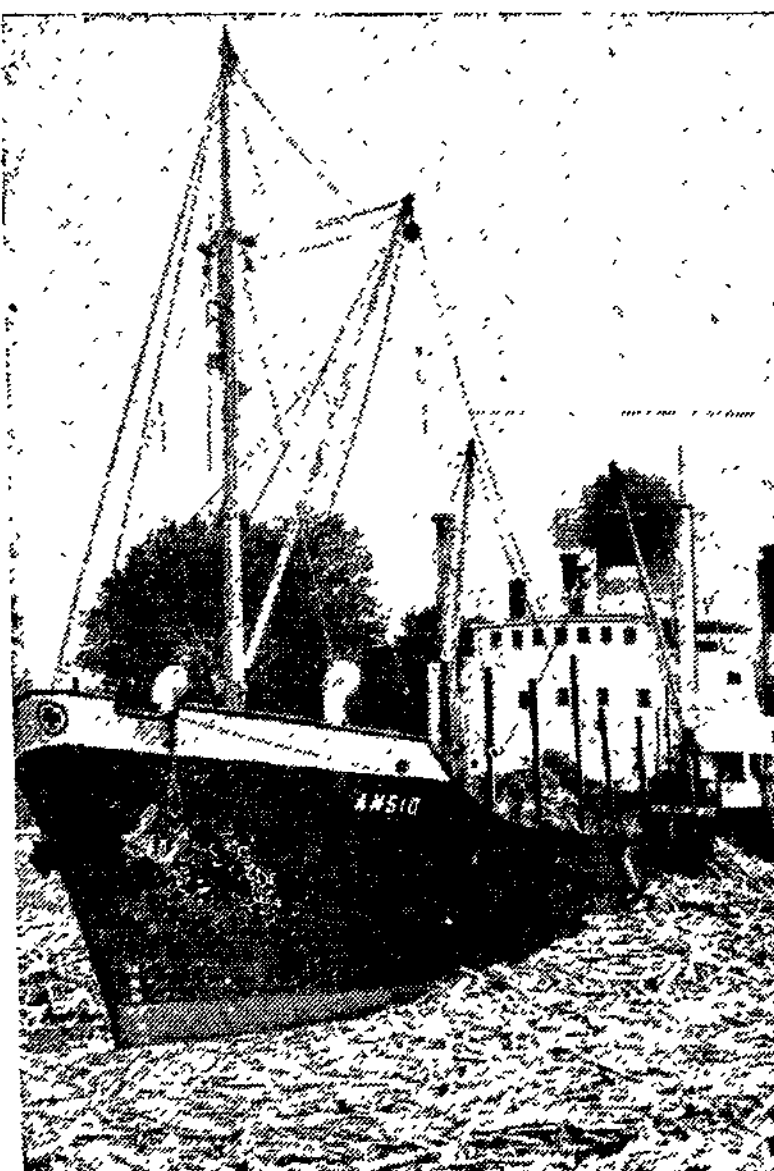

TALENT, PLUS—Troubles, a six-year-old pull, or Hungarian sheep dog, is peering through her custom-made eyeglass frames at some skeptical onlookers in New York. The canine Liberace was preparing for a TV show, and she was rehearsing the rock and roll number she was going to do. At least, the result sounded like rock and roll.

PROVING A POINT—Some shapely ladies are helping pretty Lona Rita perform a strip-tease during the introduction of a new hairdo in Paris. They're removing a long-curl wig after taking off old-fashioned petticoats and skirts. Then Lona stepped on some scales to prove that today's gals are lighter and lovelier without heavy clothes and curls.

ETUDE IN PINK—For her cross-country concert tour, pianist Ruth Slenczynska chose a wardrobe linked in mood with the masterpieces she will play. This period gown of pink taffeta over pink tulle has separate, shirred elbow-length sleeves which snap into the strapless bodice.

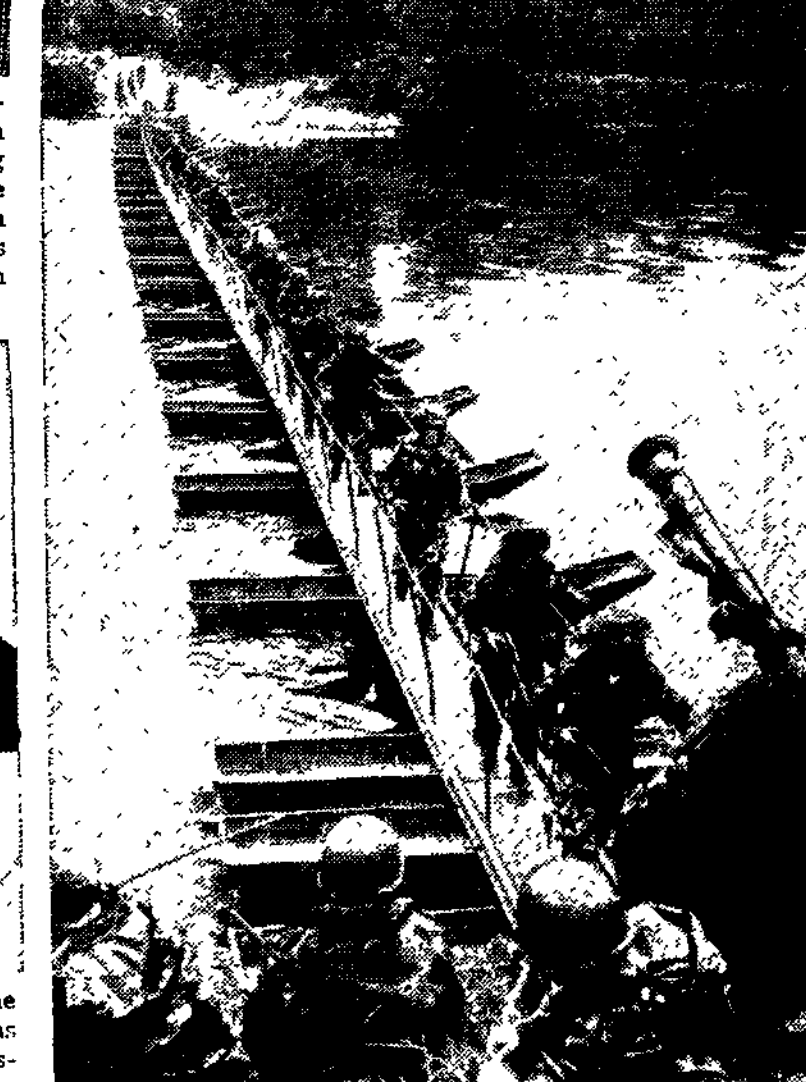

JOURNEY'S END—Although this Turkish freighter appears to be trapped in a sea of wood at Ghent, Belgium, it's actually doing things the easy way. The vessel is unloading its cargo by throwing those logs overboard and into the water. The wood is destined for a nearby paper mill and is stockpiled in the water at the mill's private dock until ready for use. It's a crowded situation right here.

JUNIOR SCOOP—The lollipop set scores a fashion point with this charming French scoop bonnet in beige felt. Tied under the chin with self-straps, the hat is trimmed with tiny brown velvet leaves.

CRAVATS—Ties from the men's rack are appearing as high fashion feminine accessories. Created by Prims, these easy to make collar tabs and chic matching belt are fastened in place with buttons that can be covered in any matching fabric.

CROSSING THE BRIDGE—West German infantrymen are rushing over an aluminum foot bridge built by members of a Pioneer Training Battalion at Ingolstadt. One of the "Pioneers" other achievements is a pontoon bridge across the Danube River, which can carry loads up to 45 tons.

Three-Way Battle Among State Republicans Is Shaping Up In Organizing House and Senate

By LEONARD A. UNGER
Harrisburg (AP)—A three-way battle among Republicans may be shaping up in organizing the House and Senate next Jan. 1.

The posts of Senate president pro tempore and speaker of the House both will go to the GOP by virtue of their election victories last week.

Sen. M. Harvey Taylor (R-Jaughlin) led the list of candidates for another term as Senate president pro tempore. Taylor, 80, was re-elected to his fifth term in the upper branch.

Sen. James S. Berger (R-Potter), who sought to keep Taylor from his presiding officer's job two years ago, and Sen. George B. Stevenson (R-Clinton) were mentioned as possible Taylor opponents.

Taylor, long an ally of defeated J. S. Sen. James H. Duff, will have to sell his candidacy to the GOP faction headed by G. Mason Jewett, former Republican national committeeman and a party to Berger's 1955 push.

Should Berger reopen the fight with Taylor then Stevenson, chairman of the General Assembly's Local Government Commission, could become a compromise candidate.

Taylor has declined to indicate if he would seek his seventh two-year term in the post while Berger

said last night the decision will rest "entirely with the members of the Senate."

Sen. Rowland B. Mahany, Senate republican floor leader, was expected to have no opposition to that post he held in both the 1953 and 1955 sessions.

The election of G. Harold Watkins, Frackville, to the State Superior Court will leave open the \$9,000 a year post of Senate secretary, Sen. G. Graybill Diehm (R-Lancaster), whose term expires Nov. 30 after he declined to run again for the Senate, may be a candidate for the secretary's job.

On the Democratic side, Sen. John H. Dent (D-Westmoreland) should have no difficulty resuming his long-standing floor leadership.

The defeat of Sen. John J. Haluska (D-Cambria), however, leaves a vacancy for Democratic caucus chairman.

In the House, the names of Reps. Albert W. Johnson (R-McKean), W. Stuart Helm (R-Armstrong) and Norman Wood (R-Lancaster) entered into speculation as candidates for speaker.

Rep. H. G. Andrews (D-Cambria) must step down from the speakership because Democrats lost control of the House to the GOP.

There was question whether Andrews would go back to the floor leadership post he gave up to Rep. Albert S. Readinger (D-Berks) for the 1955 session.

Andrews, who is 80, may decide to let Readinger keep the leadership job without opposition.

There was some speculation that Republican chieftains may attempt to convince Johnson that he would be more valuable to the party as floor leader rather than speaker.

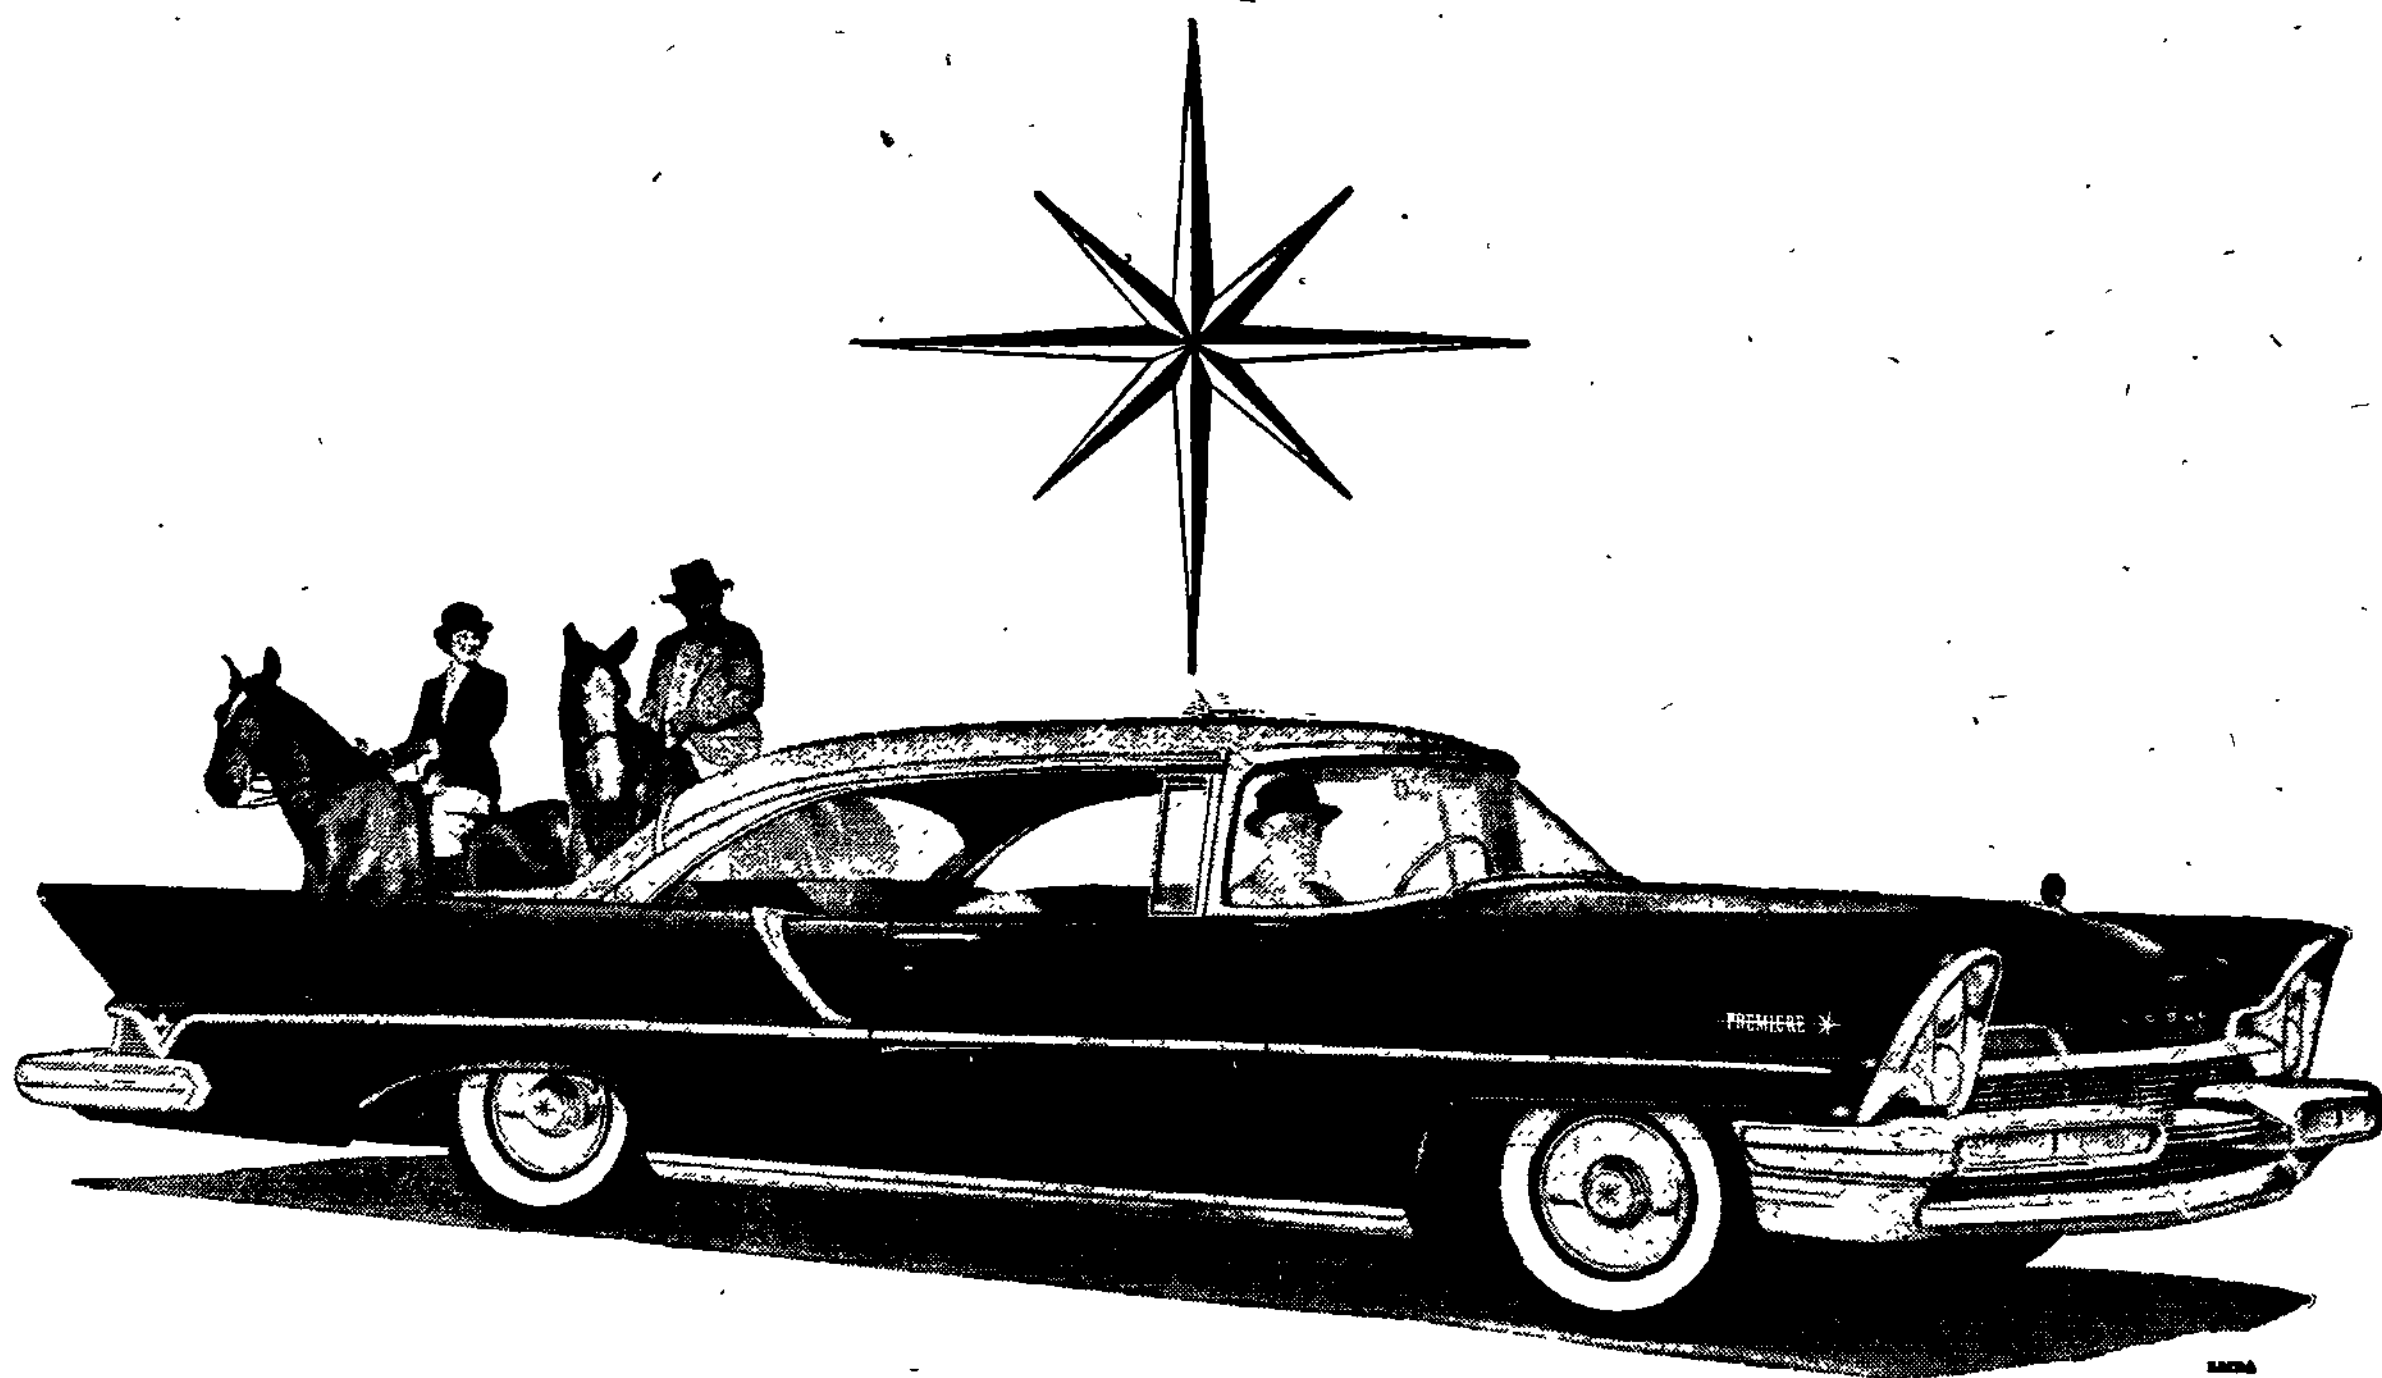

If Johnson became speaker, the GOP would be hard put for experienced members with floor leadership ability. Two lawmakers who fit that description were elevated to statewide office last Tuesday.

EARLY WATER HEATER

One of the first known water heaters in history was used by a wealthy Pompeian 2,000 years ago. It was merely a water tank which circulated cold water through the hollow sides of a container filled with hot coals. Gas wasn't used to heat water until the early 1800's.
